

User Manual

Universal Simulation Plastic Animal Figures Toy

1. Precautions:

- This toy is intended for indoor use only.
- Do not expose the toy to extreme temperatures or direct sunlight, as it may cause deformation or discoloration.
- Avoid placing the toy near heat sources or open flames.
- Small parts may present a choking hazard, so keep them away from young children and pets.
- Supervise children during play to prevent accidents.
- Do not dismantle or modify the toy as it may affect its functionality and safety.

2. Check the Integrity of the Toy:

Before each use, inspect the toy for any signs of damage or wear. Pay attention to loose parts, sharp edges, or cracks. Do not use the toy if it is damaged, and contact the manufacturer or importer for assistance.

3. Age Applicability

This toy is suitable for children aged 3 and up. Younger children should be supervised during play to ensure their safety.

4. Toy Cleaning

- To clean the toy, use a mild detergent and a damp cloth.
- Avoid using harsh chemicals or abrasive cleaners, as they may damage the surface of the toy.
- Do not immerse the toy in water or expose it to moisture for extended periods.
- Dry the toy thoroughly after cleaning before allowing children to play with it again.

5. Safe Storage:

- Store the toy in a cool, dry place away from direct sunlight and heat sources.
- Keep the toy out of reach of small children and pets when not in use.
- Avoid storing the toy in areas where it may be crushed or damaged by heavy objects.

6. Accompanying During Use:

- Children should be supervised by an adult while playing with this toy.
- Encourage children to use the toy in a safe and appropriate manner, following any instructions or guidelines provided.
